

## Awesome Life And Money Lessons.

To build wealth avoid the biggest financial traps...

\#1 biggest trap marrying the wrong person as divorces are expensive.

\#2 biggest trap having children before you can afford them, get educated first.

\#3 biggest trap getting into high interest debt, payday loans.

Biggest boost?

\#1 Learn in demand skills, notice I didn't say go to college.

Look at what society will happily pay for, then learn how to do it.

If you're risky start a business leveraging people with skills for money.
